

# OBAGI-C® Fx SYSTEM

Designed to  
Perform

*Obagi skin is healthy skin*

# Obagi-C® Fx Systems contain ingredients shown to help address the appearance of skin ageing

## Two Obagi-C Fx Systems provide ideal skin care for improving the appearance of:

- Fine lines and wrinkles
- Dull complexion
- Photoageing

NORMAL DRY

NORMAL OILY

## The combination of arbutin and Vitamin C has several aesthetic benefits

- Promotes rejuvenation of skin's appearance with Vitamin C<sup>1,2</sup>
- Brightens skin with effective arbutin, which enhances the appearance of even skin tone for a healthier-looking complexion<sup>3</sup>

## Obagi-C Fx Systems— a daily routine for all skin types

### C-Cleansing Gel ☀️🌙

Clarifies and gently removes excess oil, makeup, and other impurities.

### C-Balancing Toner ☀️🌙 (normal to oily)

Balances the pH of oily skin while thoroughly removing impurities and dead skin cells.

### C-Clarifying Serums<sup>§</sup> ☀️ (normal to dry, normal to oily)

Formulated with 10% ascorbic acid and 4% arbutin to brighten skin for an enhanced appearance of even skin tone.

### C-Exfoliating Day Lotion\* ☀️ (normal to dry)

A smooth, lightweight moisturiser that both hydrates and gently exfoliates skin to reveal a brighter, healthier-looking complexion.

### C-Therapy Night Cream<sup>§</sup> 🌙

With 7% arbutin, brightens skin while delivering Vitamins C and E to the skin overnight.

### Sun Shield Matte Broad Spectrum SPF 50 ☀️

Absorbs UVA and UVB rays for sun protection in an elegant matte finish. Sheer, PABA free, and fragrance free for all skin types.

<sup>§</sup>Contains sodium metabisulfite, a sulfite that may cause allergic-type reactions including anaphylactic symptoms and life-threatening or less severe asthmatic episodes in certain susceptible people. The overall prevalence of sulfite sensitivity in the general population is unknown and probably low. Sulfite sensitivity is seen more frequently in asthmatic than in nonasthmatic people.

\***Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.

# Obagi-C Fx—an ideal choice to help address the appearance of skin ageing

- Formulated with Vitamin C to help improve the appearance of fine lines and wrinkles<sup>1,2</sup>
- Contains arbutin to brighten skin for an enhanced appearance of even skin tone and a healthier-looking complexion
- Proactively addresses the appearance of photoageing
