INSTANTLY AND DURABLY REPLENISH THE SKIN

Modern life increases the skin's exposure to damaging pollution and UV sun rays, 2 essential causes of chronic inflammation and premature skin ageing. Thanks to its supercharged multi-vitamins + anti-oxidant + hyaluronic acids complex, the **R³ Cell Matrix Mask** helps renew the skin's vital protective and nutritive eco-system.

The skin's healthy glow and brightness are instantly restored, leaving it feeling firmer, delightfully soft and durably invigorated.
