LINES & WRINKLES

DRAMATIC RESULTS SHOULD NOT REQUIRE EXTREME SACRIFICE

All of our products are designed to provide not only superior results, but also a user experience that is unmatched in the professional marketplace. By holding our products to this higher standard, you receive products that not only work, but that you will want to use.

SUPERIOR RESULTS AND EXPERIENCE

DATA FROM PUBLISHED COMPARATIVE STUDIES

86% of subjects preferred C-ESTA Application smell and feel to the leading alternate Vitamin C

69% of subjects preferred C-ESTA Serum to the leading alternate Vitamin C

1/3 C-ESTA Serum had 1/3 the rate of irritation of the leading alternate vitamin C

3X more subjects noted skin texture improvement with C-ESTA Serum than with the leading alternate Vitamin C

80% of subjects would continue using Luminate Face Lotion vs. only 45% for hydroquinone

↑ Luminate Face Lotion delivered equal or superior improvement to hydroquinone at all time intervals
