Obagi Facials

Obagi facials provide **customised experiences** with impactful, targeted treatments to exfoliate, refresh, and revitalise the appearance of your skin.

Do you:

- have oily skin which is prone to breakouts?
- have visible signs of photodamage?
- want to reduce fine lines, wrinkles and would like firmer skin?

Obagi's rejuvenating and replenishing facials can be **selected and customised** to meet your skin's needs.

Did you know?

Obagi Medical Products are formulated and tested to suit every skin type and tone.
