

Here's what people are saying about the SUZANOBAGIMD line of products^{4,11}

"Retivance® Skin Rejuvenating Complex completely diminished the appearance of fine lines and wrinkles. I'm able to use a retinoid on a daily basis without any redness the following day."[†]

— BAF

"I absolutely love the Foaming Cleanser. It goes on smooth, and the smell is amazing. It leaves my skin feeling hydrated. I would recommend this product."

— DA

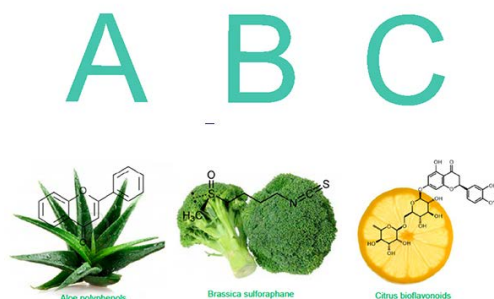

"After using Intensive Daily Repair for 6 weeks, my skin is much softer and looks smoother. The product absorbs quickly and my makeup applies well after using it."

— HS

THE PERFECT BALANCE

Next-generation skincare

SUZANOBAGIMD

PRODUCTS AVAILABLE EXCLUSIVELY THROUGH

Cleanse, protect and renew your skin with **SUZANOBAGIMD**

This unique line of products includes clinically proven ingredients and antioxidants. Used consistently, these products refresh and renew the skin, revealing a healthier-looking, more radiant complexion.

The **SUZANOBAGIMD** line effectively addresses common skin concerns, such as:

- The appearance of fine lines and wrinkles
- Rough skin texture
- Lackluster, delicate skin

The line is suitable for all skin types, including sensitive skin.

The philosophy behind the **SUZANOBAGIMD** line

A 3-step process for individualised skincare is the core philosophy behind the **SUZANOBAGIMD** product line.

† Following a comprehensive sun protection program including applying a broad-spectrum sunscreen, wearing sun-protective clothing including hats and sunglasses and avoiding the sun between 10:00 AM and 2:00 PM decreases the risk of certain types of skin cancer and premature ageing of the skin.

A full line of products for customised skincare

Foaming Cleanser

Thick, luxurious microfoam gently and deeply cleanses by removing oil buildup, makeup and other impurities.

Balancing Toner

Removes excess oil and impurities while helping to restore the skin's natural pH. Naturally derived ingredients like witch hazel minimises the look of pores and oily skin.

Cleansing Wipes for Oily Skin[†]

Formulated with 2% salicylic acid to help treat and prevent blemishes, while quickly and gently cleansing and refreshing the skin.

Cleansing Wipes[†]

The perfect on-the-go solution to quickly cleanse and refresh the skin. Soft, pre-moistened, textured wipes remove excess oil, makeup, dirt and other impurities.

Intensive Daily Repair (IDR)

Hydrating and rejuvenating daily lotion contains PHAs[§] gluconolactone and lactobionic acid that gently exfoliate to minimise the look of pores and visible signs of ageing.

Retivance[®] Skin Rejuvenating Complex

Combines retinaldehyde and other clinically studied ingredients to improve skin complexion and texture, and minimise the look of fine lines and wrinkles.
