CLENZIderm M.D. Daily Care Foaming Cleanser

removes dirt and excess oil with 2% salicylic acid, leaving skin clean and refreshed. Salicylic acid separates the bonds that hold dead skin cells to the surface of the skin to reveal healthier skin below. Soothing menthol within the formulation calms and cools irritated skin.

USE AM and PM, pea-size amount.

Obagi Hydrate is a clinically proven, light textured, cream that provides maximum hydration and moisturisation for up to 8 hours following one application. Suitable for all skin types, this non-irritating, hypo-allergenic formula is dermatologically tested and will not block pores making it suitable for acne-prone skin.

USE AM and PM, 1 pump.

Retinol 1.0 includes encapsulated Vitamin A for less irritation but with maximum benefits! This hydrating, textured cream helps to restore a more radiant, youthful complexion which boosts cellular turnover to aid and improve the appearance of fine lines and wrinkles. A great anti-ageing addition to all skincare regimes.

USE PM 1-2 pumps.

*** Optional Extra: Deluxe Mini Daily Hydro-Drops** is a lightweight formula using Isoplentix Technology to suspend key ingredients Vitamin B3, Abyssinian Oil, and Hibiscus Oil until the moment of application. Infusing hydration and helping to soften the appearance of fine lines and wrinkles with long-term use. Enjoy radiance in every drop!

USE AM and PM, 1 pump, before Obagi Hydrate.
