SKINCARE

BeautyPrep™ Face Cleanser

SKIN TYPE: All

KEY INGREDIENTS: Cucumber Seed Extract
Cucumber Fruit Extract, Algae Extract.

BENEFITS: Contains a proprietary micellar water that gently hydrates, smooths and protects the skin. Removes environmental pollutants and is antioxidant and vitamin rich to help reduce free radical damage. Provides a deep pore cleanse.

BeautyPrep™ Face Toner

SKIN TYPE: All

KEY INGREDIENTS: Rose Extracts, Lemongrass Oil.

BENEFITS: Provides deep skin hydration, balances pH and restores the surface of the skin; refines pores and moisturizes.

BeautyPrep™ Face Moisturizer

SKIN TYPE: All

KEY INGREDIENTS: Rose Extracts, Eyebright Extract.

BENEFITS: Moisturizes skin and helps prevent transepidermal water loss. Protects the skin from airborne pollutants. Creates a bright and revitalized appearance. Restores suppleness, helps to tighten pores, calm skin and rebuild the moisture barrier.

PRIMERS

Smooth Affair® Facial Primer & Brightener

SKIN TYPE: All

KEY INGREDIENTS: Grapefruit Extract, Apple Extract, White Tea Leaf Extract, Royal Jelly, Algae Extract.

BENEFITS: Promotes luminosity and skin radiance, has skin-smoothing antioxidants that help maintain skin's youthful appearance, has anti-aging properties, calms, soothes and helps to prevent transepidermal water loss.

Smooth Affair® for Oily Skin

Facial Primer & Brightener

SKIN TYPE: Oily.

KEY INGREDIENTS: PoreAway™, a complex of ingredients including Pistacia Lentiscus (Mastic) Gum, Glycerin and Lecithin, Grapefruit Extract, Apple Extract, Coconut Alkanes (and) Polysilicone 11.

BENEFITS: Reduces shine, the appearance of pores and clogged pores. Enhances the skin, improves texture, creates a silky feel and a smooth matte finish.

Absence® Oil Control Primer

SKIN TYPE: Normal to oily.

KEY INGREDIENTS: Hydrated Silica, Green Tea Leaf Extract, Willow Bark Extract

BENEFITS: Holds seven times its molecular weight in moisture, absorbs excess oil, and acts as a calming, antioxidant, oil balancer.
