OBAGI[®] REBALANCE Skin Barrier Recovery Cream

REBUILD. REPLENISH. RECOVER.

What's the current state of your patient's skin?

POST PROCEDURE

You need aftercare to soothe irritated skin

COMPROMISED SKIN

You suffer from chronic skin conditions like acne or eczema

OVERSENSITIVE SKIN

After the use of retinoids, AHA's or BHA's

What can you expect from our multi-tasking Obagi[®] Rebalance Skin Barrier Recovery Cream?

COMFORTED SKIN

After an in-office treatment like peels or lasers

RESTORED HYDRATION

Immediately and with long-term use

REBALANCED AND MAINTAINED MICROBIOME

With continuous use

Restore Balance with BarrierPlex[™] Technology

An innovative, proprietary blend of postbiotics, hydrating agents, and soothing ingredients that help restore and rebalance the microbiome.
