

Retivance® Skin Rejuvenating Complex

- Combines retinaldehyde and other scientifically studied ingredients that improve skin complexion, texture, and minimise the look of fine lines and wrinkles
- Silky application provided by the fatty acid rich base
- Three-in-one serum includes Retinaldehyde, peptides and antioxidants that help address the appearance of photoageing
- Enriched with soothing agents and skin conditioners, making it ideal for sensitive skin

0.1% Retinaldehyde, a Vitamin A precursor of retinoic acid, helps to improve the appearance of firmness and elasticity, and reduce the appearance of fine wrinkles and roughness, while being well tolerated by patients¹⁻⁵

Chamomilla recutita (matricaria) flower extract acts as a skin calming and soothing agent⁶

Spent grain wax, shea butter, and argania spinosa kernel oil soothe and condition the skin

Wheat germ oil helps improve the feel and texture of the skin

Palmitoyl tripeptide-5 improves tone and texture

Carthamus tinctorius (safflower) seed oil moisturizes the skin

Every product is dermatologist tested, hypoallergenic, non-sensitising and free of parabens, synthetic fragrances and dyes.

Intensive Daily Repair (IDR)

- Hydrating, exfoliating and rejuvenating daily lotion
- Contains polyhydroxy acids (PHAs) that gently exfoliate for improved skin clarity, texture and the visible signs of skin ageing
- Enriched with antioxidant Vitamins C and E to reveal healthier-looking and more radiant skin

Allantoin helps hydrate to allow for a better skin healing environment^{1,2}

Chamomilla recutita (matricaria) flower extract acts as a calming agent³

PHAs gluconolactone and lactobionic acid help protect the skin barrier while reducing signs of photoageing with their humectant and exfoliating properties⁴⁻⁸

Sodium hyaluronate helps retain moisture and condition the skin^{9,10}

Every product is dermatologist tested, hypoallergenic, non-sensitising and free of parabens, synthetic fragrances and dyes.

On-The-Go Cleansing Wipes

- On-the-go solutions to quickly cleanse and refresh the skin
- Soft pre-moistened textured wipes
- Enriched with antioxidants that defend the skin against environmental impurities and stress factors
- Contain BioDTox, a detoxification enzyme activator and powerful antioxidant combined with Citrus bioflavonoids, Brassica sulforaphane, and Aloe polyphenols

Aloe helps to moisturise and soothe the skin^{1,2}

Brassica oleracea italica (broccoli) extract contains sulforaphane, a compound that helps to scavenge free radicals³⁻⁷

Citrus bioflavonoids have antioxidant properties that help defend against free radicals⁸⁻¹⁰

Every product is dermatologist tested, hypoallergenic, non-sensitising and free of parabens, synthetic fragrances and dyes.
