

Retivance® Skin Rejuvenating Complex

- Combines retinaldehyde and other scientifically studied ingredients that improve skin complexion, texture, and minimise the look of fine lines and wrinkles
- Silky application provided by the fatty acid rich base
- Three-in-one serum includes Retinaldehyde, peptides and antioxidants that help address the appearance of photoageing
- Enriched with soothing agents and skin conditioners, making it ideal for sensitive skin

0.1% Retinaldehyde, a Vitamin A precursor of retinoic acid, helps to improve the appearance of firmness and elasticity, and reduce the appearance of fine wrinkles and roughness, while being well tolerated by patients¹⁻⁵

Chamomilla recutita (matricaria) flower extract acts as a skin calming and soothing agent⁶

Spent grain wax, shea butter, and argania spinosa kernel oil soothe and condition the skin

Wheat germ oil helps improve the feel and texture of the skin

Palmitoyl tripeptide-5 improves tone and texture

Carthamus tinctorius (safflower) seed oil moisturizes the skin

Every product is dermatologist tested, hypoallergenic, non-sensitising and free of parabens, synthetic fragrances and dyes.
