Favourite Royal Beauty Products Revealed

The **Royal Wedding** (the event we've all been waiting for) is fast approaching! While royals don't always share the products they swear by, every now and again we get wind of a coveted lipstick, nail polish or facial oil that has the Royal stamp of approval.

From Kate Middleton's rumoured go-to eyeshadow palette, to the secret behind Meghan Markle's luscious lashes and the Queen's statement lip, 'fit for a Queen' may just be a figure of speech but these beauty products really are worthy of Buckingham Palace.

Her Luscious Lashes

We also wanted to know the secret behind Meghans's incredible eyes and eyelashes. Thankfully, Meghan revealed when she was an actress that she uses the **iconic Mascara from Dior, £27**, and keeps her lashes in fabulous condition using **Revitalash, £74 for 2ml**
